“Hooker DeJong is supportive of strengthening the development of the creative class of employment in our community and we see the Muskegon Museum of Art as contributing significantly to this effort. Our employee recruitment efforts always highlight the MMA as a benefit to living in the greater Muskegon area. Our corporate support to the MMA has many returns.”

Frank Bednarek

“The sponsorship of the MMA is a part of our focus on an AWESOME core city and redevelopment of our downtown. Being the MMA Education partner is in lock step with our corporate areas of focus as we look to the right places to put our limited resources.”
